MAKING OR COMPLETING A BOOKING

You can download a booking form from the main page (home) complete and send by post with the required deposit or full payment. Or copy the booking form complete and e-mail it back.

If you have already spoken to us about suggested dates we will have provisionally booked them for you but require the completed booking form and deposit to formalise this arrangement.

The receipt for your deposit and confirmation of your holiday's dates will then be sent to you. The outstanding balance will then be due approximately six weeks before your arrival date. I will write at this time and on receiving the balance in full I will send the entry details.

If you are looking to book a holiday stay that is less than eight weeks away it is always easier to pay the full balance. Otherwise we end up with booking forms, receipts and access information crossing in the post.

The booking form requires the full names of all occupants, this is to comply with statutory fire regulations. It is also very useful to put your mobile number down, there have been odd occasions where it has been an invaluable contact point, and we won't use it without good cause.

If you are in any doubt about the information please feel free to phone. If you have not received the reminder or directions at the right time, please let me know. Occasionally things go astray in the post or I forget!

We do our best to complete the apartments for occupation by mid day and sometimes earlier. To do this however we require the apartments vacated by 9.30 a.m. at the latest. It is sometimes possible to have earlier entry into the apartments if they are vacant the week before. Give us a ring to check.

When you leave the apartment just **leave the two sets of keys on the table.**

Both Lynne and I are usually around in the evenings from 5.30 p.m. if not leave a message and we will get back to you. **01395577973.**

Thank you.

Pete.
